7. Bear Creek Trail-Providence Rd

- Providence Road is going to be extended from current terminus near Vandiver Drive to Blue Ridge.
- Requires a bridge over Bear Creek.
- Unfortunately, bridge construction requires that the Bear Creek Trail be closed to the public.
- Estimated completion is fall 2009.
- Groundbreaking for road construction is Friday, Feb 20 and shortly after that, the contractor will erect fencing to prevent trail access.
- Staff is placing detour signs Friday, Feb 20.

A scenic view of a park with a pond, trees, and a gazebo. The image shows a calm body of water in the foreground, reflecting the surrounding greenery and a clear blue sky. In the middle ground, there is a well-maintained lawn with several trees, some of which have vibrant autumn foliage in shades of orange, yellow, and red. A white gazebo with a dark roof is situated on the lawn. The background is filled with more trees and a clear blue sky.
